## COUNTY BLOOD BANK HEADQUARTERS TO BE K.D. HOSPITAL

### Blood Typing To Be Done Locally At No Donor Fee

King's Daughter Hospital will be the seat of operations for the Hancock County Blood Bank. At a meeting of the executive committee held Tuesday night at the American Legion Hall, Francis Bopp, auditor for the City of Bay St. Louis and deputy accountant for the Chancery Clerk's office of Hancock County, came as the guest of Chairman John Rutherford Jr. to give advice and information pertinent to the operation of the Bank from an accountant's viewpoint.

The county Monday morning at a meeting of the Board of Supervisors had approved \$1,000 for working funds for the blood bank. A charter of incorporation will be issued by the state for the operation of the Blood Bank. It will be incorporated under the name of the "Hancock County Blood Bank."

The hospital obviously being the logical place for the typing of blood, a motion was made that the hospital board be contacted, and the approval of the hospital board was given Wednesday.

Technical work will be done by Miss Edna M. Isom. Purchasing of equipment will be handled by the doctors. A finance committee to approve payment of bills was named, composed of George Heitzmann, Gordon Romannoff and J. C. Perkins, speedied Landers, who in the last year has compiled a record-breaking of 16 yards gained.

Larry Smith, who has improved his tackle play and plans to further his education, his football ability, and Taraville, senior end who said himself as very capable offensive and defensive.

### MOTHERS HONOR S WITH PARTY DANCE

Mother's Club of St. Joseph entertained the pupils of the Academy with parties on Friday evening for the grammar grade students a dance on Saturday night in the high school department.

Parties were promised to rooms 100 per cent enrollment of mothers in the Mothers Club. The mothers worked exceptionally hard, as well all mothers of the students.

The mothers and volunteer workers in the club furnished refreshments for elementary grades on Friday evening and Mother Anna Mary an hour earlier closing the after-

Saturday night, the high school students were given a dance in appreciation of their efforts in the advancement of mothers. Brother Marcellus St. Simons and his band, the Rocketers, played the music.

The dance was given in the gymnasium of the Academy. Volunteers of the Mothers Club chapter

### 'Make Believe' Will Be Theme Of Youth Center Ball

Miss Gerry Witter will reign as Queen and Anthony Loiacono as King Saturday night, Nov. 28, when the Youth Center presents their annual Harvest Ball.

Miss Hilda Jane Favre and Miss Millicie Adams will be maids, and Henry Monti and Bobby Ladner will be dukes.

The Youth Center building will be fabulously decorated with the theme of the ball "Make Believe."

Larry Vega and his orchestra from New Orleans will furnish the dance music.

Refreshments will be served.

The ball will start at 7:30 p.m. and continue until midnight.

### Education Week Is Observed By Local Schools

National Education Week was celebrated by Public and Parochial schools throughout the county last week.

In Bay St. Louis, St. Joseph Academy chose Thursday, Nov. 12 for an "open house," with invitations to all parents to use this opportunity to meet the faculty, to see the classrooms where their children are taught, to examine the work done by the individual child,

as work books were placed on the desk of each pupil; enabling the parents to see the progress made, and to generally enjoy an evening in the school.

A program was presented. The welcoming address was given by Miss Franklin Hewes, President of the Senior Class.

Nursery songs were sung by members of the first grade.

A skit was presented by members of the Junior and Senior classes.

Miss Carolyn Curet gave reading of Lincoln's Gettysburg address.

Miss Julie Dantagan recited "In Flander's Field" and "America's Answer."

Miss Ann Hubbard explained what the Pledge of Allegiance to the Flag symbolizes.

Miss Gail Gordon explained "What The Flag Means To Me."

Father S. E. Baker of St. Augustine Seminary gave an address on the parent's obligation to the child, educationally as well as religiously and devotionally.

About 400 adults were present. The entire building was open for inspection. Refreshments were served.

### TO OUR READERS AND ADVERTISERS

SINCE next Thursday is THANKSGIVING DAY and everyone will want to enjoy a holiday, the HANCOCK COUNTY EAGLE will be published and put in the mail on Wednesday evening, November 25.

In order to do this we ask all our readers and advertisers to get news and advertising copy in this office ONE DAY EARLIER than usual so that it will make the deadline for next week's issue.

We thank you for your cooperation and wish all a Happy Thanksgiving.

THE PUBLISHER

will be received from GMAC as a token of service with the corporation. A letter from the corporation, complimentary of GMAC. —Photo by Carol Pleiter

## JUKE JOINT ARSON ATTEMPT SUSPECT HEARING WAIVED

Preliminary hearing on an alleged

attempt by William E. Mitchell to set fire to "Shorty's," a club on the Pearl River-Hancock county line last week, was waived Tuesday night and the case turned over to the Grand Jury.

It was claimed that Mrs. Anna Kennedy, operator of the club, was informed a "marked man" was attempting to set fire to the building. She ran from the back entrance around to the side of the building, snatched a loaded gun from Mitchell's hand and tore a mask from his face, it was reported.

It was claimed Mitchell told her he did not intend to burn the building, but merely intended to frighten them, as he was "sore" because he had been refused the sale of beer during the afternoon. He had returned that night to get beer, he claimed, but thought he would frighten them into selling it to him.

A hearing of the case was set for Tuesday night at 7:30 p.m. in Judge Douglas Seal's court.

Diligent investigation has been going on by members of the fire marshal's office and by Sheriff Egloff's deputies since the burning of several roadhouses in the Pearl River-Hancock county line last month. It is claimed that evidence has been uncovered that will result in the arrests in the near future of several suspects. The evidence will be placed before the Grand Jury.

At the time the building burned Sheriff Egloff was attending a radio station meeting. His address was presented by his secretary, Courtney Pace. Blaine Eaton, Executive Manager of the Mississippi Rural Electric Association and a prominent member of the Mississippi legislature, also spoke.

Reports by President C. W. Fountain, Secretary-Treasurer George Curet and Manager H. H. Shatford were presented during the meeting.

Directors elected at the meeting were from Hancock County, C. W. Fountain, George Curet and Otto Reiter; Harrison County, Fred S. Laderer Sr. B. F. Morris and R. P. Turan; Pearl River County, F. Randall Reiter, W. H. Burks and Walter Stewart.

The Fifth Annual Electrical Appliance and Equipment Exhibit held in conjunction with the Meeting was presented by all that attended the best yet. Fourteen dealers from Bay St. Louis, Gulfport and Picayune displayed everything from a popcorn popper to a complete water system.

Refrigerators and freezers, ranges and washers, dryers and water heaters, radio and television, all were on display, and the color and attractiveness of the booths added much to the meeting.

Music was provided throughout the day by the Country Playboys, an excellent hill-billy band.

Prizes given by Coast Electric to its members were as follows:

Croley Salvador Refrigerator, won by C. C. Keller, Picayune.

Kamore Visimatic Washing Machine, won by Douglas Seal, Picayune.

Ten General Electric Irons, Mrs. W. H. Curry, Picayune; Herbert Nease, Pass Christian; Sylvester Lafontaine, Lakeshore; Coburn Laderer, Anadarko.

Dennis Osborn, Bay St. Louis; W. J. Frierson, Picayune; Mrs. Nannie Edinger, Pass Christian; Culbert Lee, Picayune; M. W. Miller, Gulfport; Mr. John Horlock, Bay St. Louis.

Philco Clock Radio, won by W. G. Jamison, Poplarville.

Fifty Table Lamps, won by L. L. Laderer, Kiln; Dudley Nease, Kiln.

Mrs. Chas. Nelson, Picayune; Mrs. Elizabeth Garcia, Lakeshore; Mrs. James M. Arthur, Pass Christian; Conley, Mrs. Picayune; Mrs. George C. Doty, Poplarville.

Mrs. Neal Johnson, Poplarville; Taylor, Pass Christian; Horace Frierson, Poplarville.

(Continued on Back Page)

Sheriff John Egloff said this week that a number of persons driving vehicles with out-of-state and out-of-county tags have applied for Hancock County license plates.

The sheriff issued a warning last week naming Nov. 15 as the deadline for purchasing Mississippi tags or registering out-of-county tags with his office.

Sheriff Egloff said that continual vigilance would be kept by him and his deputies, and violators who have not heeded the warning so far would be punished by stiff fines.

### TO BE OPEN ALL DAY WED

### MILTON EVANS 60 SEVERELY INJURED WHEN STRUCK BY CAR

Milton Evans, 60, suffered serious injuries yesterday evening when he was struck by an automobile while walking along the highway. Evans, who is employed by the Red Ribbon Carnival located on Highway 90, was walking west from Bay St. Louis when the accident occurred.

The driver of the car stopped and gave assistance to the injured man. An ambulance could be summoned. Evans was taken to Mississippi Hospital in Gulfport where his condition is said to be favorable.

Evans was admitted to the Mississippi Hospital in Gulfport where his condition is said to be favorable.

The execution was set for C. Lewis, 21-year-old Negro, sentenced to die in the electric chair here automatically was stayed yesterday when his attorney filed a paper with the Hancock County Circuit Court.

Lewis was fined because Lewis could not furnish cause for his appeal and was granted yesterday when the filing of an appeal with the Mississippi Supreme Court.

Lewis was tried here Sept. 30 for the death on April 1, 1953, of Kenneth J. McLean.

After an electric chair was found the defendant guilty, Judge Louis Green sentenced Lewis to die in the electric chair Friday, Nov. 10.

McLean, a resident of New Orleans, was killed in April after he had picked up hitchhiker Lewis on Highway 90, en route to Biloxi. The body of McLean was found about a half-mile of Highway 90 on a side road near Pearl River.

Lewis was arrested in Petersburg, Va., for speeding. At the time of his arrest it was not known that McLean had been killed.

The car Lewis was driving when arrested was found to be a 1951 Cadillac belonging to McLean.

Two New Orleans detectives were sent to Petersburg to return Lewis for car theft. Enroute to New Orleans, Lewis confessed to the detectives that he had killed McLean after robbing him of \$35. In his confession he admitted he had shot McLean five times.

Basic of Lewis' appeal is that he was extradited from Virginia to Louisiana and not to Mississippi, where the murder allegedly occurred and where Lewis was tried.

### COAST ELECTRIC MEETING SATURDAY IS WELL ATTENDED

A crowd estimated at from 2500 to 3000 jam-packed the Bay High Gymnasium last Saturday to take part in Coast Electric's 15th Annual Meeting.

Senator James O. Eastland was prevented from speaking at the meeting by illness, but his prepared address was presented by his secretary, Courtney Pace. Blaine Eaton, Executive Manager of the Mississippi Rural Electric Association and a prominent member of the Mississippi legislature, also spoke.

Reports by President C. W. Fountain, Secretary-Treasurer George Curet and Manager H. H. Shatford were presented during the meeting.

Directors elected at the meeting were from Hancock County, C. W. Fountain, George Curet and Otto Reiter; Harrison County, Fred S. Laderer Sr. B. F. Morris and R. P. Turan; Pearl River County, F. Randall Reiter, W. H. Burks and Walter Stewart.

Stew  
One-third cup flour.  
One-fourth teaspoon pepper.  
One-half teaspoon celery salt.  
One and three-fourths pounds of chuck or round beef, cut into chunks.  
One-fourth cup shortening.  
One-fourth cup minced onion.  
Three and three-fourths cups oiling water.  
Four beef bouillon cubes.  
One-half teaspoon salt.  
One-half teaspoon Worcester-  
shire sauce.  
Four or five medium potatoes.  
Ten small white onions.  
One bunch small carrots.

Put flour, pepper, and salt in large bowl. Add meat and onions until meat is well coated. Save leftover flour. Heat shortening in Dutch oven over high kettle. Brown each piece of meat in turn. Remove each piece at a time. Add minced onion to fat in pot. Tie and simmer until tender. Gradually stir in leftover flour until smooth and blended. Stir in oiling water. Add bouillon cubes, salt and browned meat and onions. Add Worcester-shire sauce and one-half spoonful of salt. Add potatoes. Cover and let simmer 30 minutes. Add carrots and carrots. Cover and let simmer 15 minutes. Vegetables will carrots and onions. Potatoes are tender. Serve hot. Serves four.

You'll please everybody with good hearty and healthy, so wholesome — and so easy to make, have all the necessary items on easy-on-your-pocket prices. Whether it's stew or a steak, we carry our best buys in foods. Shop here and save!!

## YOUR YOUTH CENTER

BY CLEMENTINE DAVIS

Members of the Youth Center, Bill and Gertie Weller, Bill

Michael Adcox and Jean Ferry, and

Wally Lasher and Henry

Wells, Orlene Lucy, Vicki and

the Davis will pay for the event.

This is one of the Youth Center's

biggest dances of the year and will be

held Saturday at 7:30.

We wish to thank Mr. Walter Gen-

who kindly donated a ping pong table

to the Youth Center.

We now have two ping pong tables on

the porch.

This Saturday at 9:00 the Center

will have their business meeting for

November. All members are asked

to attend.

### Jack Stewart Member Of State Veterans Affairs Commission

Jack Stewart of Pearl River County has become associated with the State Veterans Affairs Commission. Stewart, son of L. D. Stewart of Poplarville, is a Navy veteran of World War II, having served from 1943 to 1946 with sixteen months of active duty in the South Pacific.

Mr. Stewart, after his graduation from Pearl River Junior College, continued his studies at Mississippi Southern College, after which time he received an LLB Degree from the Jackson School of Law. Mr. Stewart is married, his wife being the former Lois Sue Grady of Perry County.

From 1951 to August 1953, Mr.

Stewart was employed by the Mississippi State Forestry Commission as Area Forester in Jackson, Harrison and Jackson Counties.

As a member of the staff of the State Veterans Affairs Commission he is charged with the duty of assisting veterans of all wars and their

dependents in securing all rights, privileges and benefits provided under state and federal laws.

The State Veterans Affairs Commission, successor to the old State Service Commission, is one of the oldest executive departments in the State of Mississippi. The State Service Commission was created in 1924 and it and its successor, the State Veterans Affairs Commission, has for almost 30 years assisted veterans and their dependents.

Originally set up to assist Spanish American and World War I veterans with their problems, it has expanded its service to where it represents veterans not only of World War II but those that have been in service since the outbreak of the Korean incident.

NEW YORK MARGARINE

The sale of yellow margarine was approved last year in New York state, ending a battle which has raged for

69 years between margarine advocates and the state's farm-bloc.

69 years between margarine advocates and the state's farm-bloc.

This is an operating blood donor list available in that County. Dr. Crenshaw cited one case where 70 units (pints) of blood were given to one person. That blood was provided free and that person's life was saved. The average number of transfusion, which is recognized as being extremely high, is twenty-five per month during the last seven months.

Those active in the Hancock Community Blood Bank have provided blood for 8 transfusion here in Bay St. Louis within the last three weeks. Reports from the doctors indicate that one life has definitely been saved, and that possibly others might have died without this immediate supply of blood.

Attempts are being made to arrange a Blood Storage of Hancock County Blood for the exclusive use of Hancock County people at one of the New Orleans hospitals. This blood would be available at all times for our people who may be in any New Or-

leans hospital.

Dr. Crenshaw

stated.

"John D. Rutherford Jr., American Legion Committeeman and Chairman of the community-wide organization, said: "This is a most logically approved. The real need for this is obvious to most citizens of the county. Lives are being saved

when and where needed."

Dr. Crenshaw

stated.

TIME OUT FOR

turkey

On the drilling rigs too, where crews operate around the clock in search of oil or natural gas, Thanksgiving calls for turkey—and a thought for the good things of life...the big things and hundreds of little things that contribute so much to our well-being, comfort and convenience.

There's natural gas service, for example. Many folks in the Gulf South take gas service for granted, and yet they depend on it round-the-year to do many of the big jobs in their homes or industries.

Ever consider what goes into your dependable natural gas service...the tremendous investments required to find and produce natural gas; to transport it to your community and distribute it to homes, businesses and industries?

Yes, you have dependable natural gas service...and you'll have it next year, and the next...so long as natural gas is sold at prices that justify the huge investments that must be made to provide that service.

We think you'll agree, dependable natural gas service is worth every cent you pay for it...and then some!

STANISLAUS DROPS  
ENCOUNTER FRIDAY  
TO McDONOGH

St. Stanislaus dropped their contest record to the McDonaugh Trojans of New Orleans 13-7 Friday night at the St. Stanislaus Stadium.

In the last two minutes of play Joe DiGiorgio broke into the clear and ran 44 yards for a tying touchdown but a McDonough chip brought a penalty.

The Bay High Tigers captured their fourth victory of the season when they came back the Clara Whipple 44-0 here last Saturday.

The Tigers scored twice in the opening quarter with Hugo Favre and Henry Monti carrying the ball. In the third quarter Ronald Landers dug 10 yards for Bay and in the final period Terrell McDonald and Donald Cole joined in for Bay High.

Favre, Monti and Landers were the Tigers' stars throughout the game.

Landers averaged 18.4 yards gained rushing. Larry Smith stood out on the Bay High defense that held Clara to a mere 57 yards gained.

The Tigers still have two more games, "but already people are talking about next year and what Freshman Henry Monti will be doing. We predict that by the time he is a Junior or Senior he will be rated among the best along the Gulf Coast."

This Friday Bay High will celebrate their Homecoming with a contest with Demonstration. Last year the Tigers won 13-7, but a close battle is forecast as the tigers will be without the services of Hugo Favre and J. C. Perkins.

The Tigers have won four and lost three to date.

KILN BOYS COP SAVANNAH INVITATIONAL TOURNAMENT AS GIRLS DROP OPENER

The Kiln Boys won the Savannah Invitational Tournament last week by downing McNeil 54-47, Dedeaux 76-58 and in the finals Savannah 59-32.

Kiln was led to its victories by Roy Shiyou, who averaged 27 points a game. Louis Garrige, Jimmy Ladner, Clara Lee and Jason Mauffray complete Kiln's varsity.

Helpers on the undefeated team are forwards Joseph Hoda, Leroy Ladner, Nathan Hoda and James Ladner; guards Merlin Necaise, Johnny Carl Lee, Richard LaCoste, Slade Ladner, Robert Lacoste. Center is Jerry Moran.

The Kiln Girls were eliminated in the tournament's first round in a three minute overtime game by Sellers, 37-35.

Margo Breland scored 18 points in the contest.

BAY HIGH PEE WEES ARE STILL UNDEFEATED AFTER MEETING TINY ROCKS

The Bay High Pee Wees remained undefeated as they gave the St. Stanislaus Tiny Rocks their first defeat of the season 6-0 at St. Stanislaus Stadium Tuesday afternoon.

After a scoreless half Jimmy Poillion carried the ball from the four yard line to give the Pee Wees their score.

In the final quarter the Tiny Rocks lost a scoring chance when they fumbled after marching to the 15 yard line.

Early in the season the two teams tied 6-6. Bay High now has a 3-0-1 record and Stanislaus 5-1-1.

## 500 Attend Rural Telephone Celebration in South' Mississippi

Top picture: Front Row (left to right) G. W. McComb, General Manager for Southern Bell; Frank E. Price, Manager Magnolia Electric Power Assn.; Public Service Commissioner J. S. "Ike" Sanford; Dr. Walter W. Crawford, Pres. Tyler town Rotary; Virgil Laird, Tyler town businessman; W. R. Brumfield, Pres. Walthall County Board of Supervisors. Back Row: Congressman Monroe Alford; J. M. Phillips, Manager for Southern Bell; Rev. Leo W. Mangum, pastor Knox Baptist Church; Rev. Percy Hayes, pastor New Zion Baptist Church; Rev. Fred L. Applewhite, retired Methodist Minister; and Abel Lewis, Walthall County Agent.

### Congressman John Bell Williams Praises Work of State Utilities

TYLER, TEXAS.—Approximately 500 people were on hand to hear Congressman John Bell Williams deliver the principal address dedicating the new telephone facilities just completed by the Southern Bell Telephone and Telegraph Company to serve the Walthall County Community in the state of Mississippi.

Mr. Williams, a native of Walthall County, was a member of the House of Representatives from 1933 to 1935. He is now a member of the House of Representatives from the state of Mississippi.

He said that the new facilities will greatly assist the people of the area in their business and personal needs.

The new facilities will consist of 1,000 telephones and 100 miles of telephone lines.

The new facilities will be located in the town of Walthall and the surrounding areas.

The new facilities will be located in the town of Walthall and the surrounding areas.

J. C. Phillips, Mississippi Manager for Southern Bell, told the audience that including the Kroto project, the company had invested over \$100,000,000 in Walthall County's rural telephone system.

He said that the Kroto project alone of approximately 100 rural projects has recently been completed this year in the state. These projects, Mr. Phillips stated, will require an additional investment this year of over \$2 million dollars by Southern Bell. When all the projects are completed, Mississippi will have an additional 4000 rural telephones. Mr. Phillips said.

Virgil Laird, Tyler town manager, opened the first long distance call to the new facilities with the voice of J. C. Phillips, Southern Bell Operator. Several other calls were heard during the program.

After the program, the audience was invited to inspect the new facilities.

The new facilities will be located in the town of Walthall and the surrounding areas.

The new facilities will be located in the town of Walthall and the surrounding areas.

**JACKSON** (Continued) — Murphy for the last two years, and his wife, Mrs. Murphy, for the last year. The couple have three children: a son, John, 12, a daughter, Mary, 10, and a daughter, Barbara, 8. They live in a house on the corner of Main Street and Jackson Avenue, which they purchased in 1938 for \$12,000. The house is in good condition and is well maintained. The family has a car and a boat.

The family has a garden and a small plot of land where they grow vegetables.

A recent survey by the Missouri Forestry Association, a nonprofit organization of professional and amateur lumbermen, showed that the lumbermen are taking advantage of the many services that are available to them.

Services available range from advice on management problems to planting of seedlings with machines. Millions of seedlings have been made available without cost, tree marking crews are sent out by virtually every wood-using company, and forest protection units are available to those desiring them.

Indicative of the interest of the industry and members, one lumber mill is "fathoming" a tree farm family of 47 individual landowners embracing 70,000 acres. The company's staff of trained foresters, as well as other crews, assist in giving sound forestry practices advice and then follow through with assistance in harvesting, stand improvement, seedling planting and surveys.

Two full-time foresters of a pulp company which purchases \$6,000,000 of the timber annually and pays out \$3,000,000 in payrolls to its 3,000 employees are working with small timberland owners in that particular area.

Another industry member is contributing around 100,000 seedlings a year to neighboring landowners, while another uses its facilities to advise farmers on land use planning and how to integrate the timberland program into a general land improvement plan.

Officials of the association said the results are an outstanding example of what can be done through coop-

eration among all segments of the lumber industry.

The Murphy family, however, does not have a car, but they do have a boat.

The Murphys have a garden and a small plot of land where they grow vegetables.

A recent survey by the Missouri Forestry Association, a nonprofit organization of professional and amateur lumbermen, showed that the lumbermen are taking advantage of the many services that are available to them.

The image is a vintage-style black and white advertisement. At the top, the word "SWELL" is written in a stylized, blocky font. Below it, the word "Brookfield" is printed in a bold, sans-serif font. The most prominent feature is a massive, bold, outlined word "SAUSAGE" that spans almost the entire width of the ad. Underneath "SAUSAGE", the phrase "Seasoned to perfection!" is written in a cursive script, followed by the word "POUND" in a bold, sans-serif font. At the bottom, the price "59c" is displayed in a large, bold, outlined font. To the left of the main text area, there is a small, detailed illustration of a person wearing a hat and apron, holding a tray with several sausages on it.

# **SWIFT'S PREMIUM SLICED BACON**

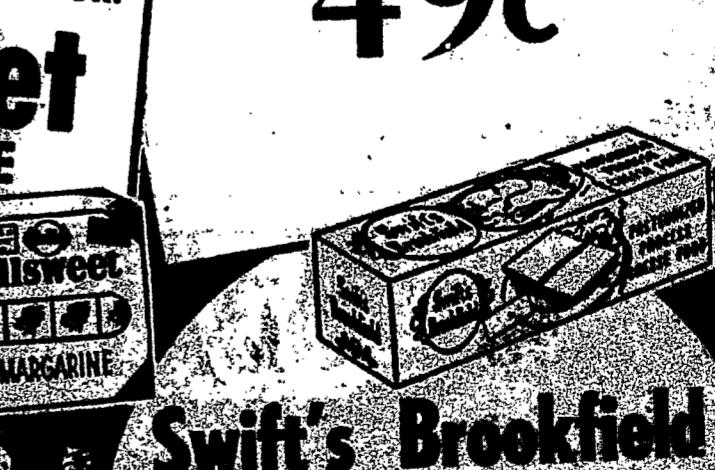

A black and white photograph of a newspaper masthead. In the top right corner, there is a large, bold '69c'. Below it, the words 'Fresh - Flavorful!' are written in a stylized, bold font. The background shows the textured surface of a newspaper.

A high-contrast, black and white image of a vintage magazine cover. The title 'TV GUIDE' is at the top in large, bold, serif capital letters. Below it, the word 'WEEKLY' is written vertically in smaller letters. In the center, the word 'POUND' is printed above a large, stylized price of '69¢'. The background is dark and textured.

# FARLEY

Oil production in the state has increased rapidly during the past year. Total output of oil and gas in 1948 was 1,244,421 barrels. This year three new oil wells have been drilled in Mississippi with an average daily producing power greater than the previous year.

A new start is scheduled to get underway in Yelvington County located in the Northwest corner of the state. A total of 100,000 barrels of oil will be drilled in this county.

Pearl River County currently has one well under way with the test being the first test in a number of years for that relatively unexplored county.

On the strength of the success already found by the discovery of oil and gas in Monroe County and gas production in Chickasaw, Clay and Hinds county leasing activity has spread across the entire north half of Mississippi.

The search for oil or gas requires the drilling of many wells, with the greater number of times being failure. The expense is great whether the well is a producer or a dry hole but only by the drilling of a well can a structure be definitely determined as to its commercial worth.

The wildcat drilling program that has been followed in Northeast Mississippi for the past two years seems to be paying off and the industry's hope is that more and more leases will be let in the near future.

Elizabeth Jean, infant daughter of the Reverend and Mrs. Charles R. Johnson, was baptized at Christ Church on Sunday, Nov. 15, by the Rev. Mr. Johnson. Godparents were the baby's uncle and aunt, Mr. and Mrs. George A. Bloughum of Needham, Mass., and Mrs. N. L. Carter of Waveland.

Mr. and Mrs. Dennis Collier were married Thursday, Nov. 12 at Our Lady of the Gulf Church, Bay St. Louis. The bride is the former Miss Norma M. Collier.

Miss Norma M. Collier, daughter of Mr. and Mrs. John Collier, became the bride of Edward John Stigletz, nephew of Mr. and Mrs. James Stigletz, of 15 Main St., on Thursday, November 12 at Our Lady of the Gulf Church.

Mrs. Helen Nease, sister of the bride, was matron of honor. Mrs. Nease was dressed in black with black accessories and a corsage of white carnations. The usher was Leland Saucier, son of the bridegroom and best man.

Entertained by her father, the bride entered the church in the traditional wreath. The bride wore a pale blue suit with navy accessories and carried an orchid attached to her prayer book.

Immediately following the ceremony a reception was held at the home of the bride's parents. The bride's table in was covered with a white lace tablecloth and held a three tiered cake.
